

The background of the slide is a photograph of a resort pool area. In the foreground, a long, narrow swimming pool with clear blue water is bordered by a dark grey stone edge. The pool is surrounded by a wooden deck. On either side of the pool, there are several lounge chairs with white cushions and small black tables. In the background, a long row of tall palm trees lines a walkway that leads to a large, multi-story resort building with a red-tiled roof and white walls. The sky is blue with some white clouds. A large, diagonal white graphic element with a teal border is overlaid on the right side of the image.

Some of them are originally from your country, but are living for many years abroad and can share their knowledge about the place where they live. Some of them are locals, coming from the places where they work, but in the past they spent many years in your country, so they can speak your language and understand very well your culture.
